RE: Infringement of The Pan-Albanian Federation of America Vatra Marks and Other Violations

Dear Sir or Madam:

Please be advised this office has been retained by The Pan-Albanian Federation of America Vatra (The Hearth) Incorporated (“PAFAV”) to pursue its claims against you for violation of, inter alia, its intellectual property rights.

90 Canal Street, Suite 400
Boston, MA 02114

(617) 874-1411
WWW.PAKROOHLAW.COM
darius@pakroohlaw.com

Given your tenured dealings with PAFAV, you are well-informed of its extensive history dating back to its registered formation in 1912 in Boston, Massachusetts. PAFAV is an internationally recognized and highly esteemed non-profit corporation serving the Albanian community worldwide for more than 100 years. PAFAV has, among many other notable endeavors, successfully maintained the *Dielli* newspaper, the oldest Albanian newspaper, in print form since 1909. PAFAV has advocated on behalf of Albanian's globally, made donations to Albanians in need, awarded scholarships, and achieved critically acclaimed recognition amongst its members, the greater Albanian community, and U.S. and Albanian political and business leaders globally.

As a result of its more than 100 years of operations, the name, The Pan-Albanian Federation of America Vatra (The Hearth), and “VATRA” (collectively, “PAFAV Trademark”), and its

service mark, (“PAFAV Service Mark”), have garnered incalculable commercial value.

We write to you concerning your unauthorized use of the PAFAV Trademark and the PAFAV Service Mark. Your unauthorized use has caused, and continues to cause, irreparable damage to PAFAV. We have recently learned that you maintain a website unlawfully using the name and likeness of the PAFAV Trademark and the PAFAV Service Mark. *See Exhibit A.* You also maintain a Facebook page that makes unauthorized use of the PAFAV Trademark. *See Exhibit B.* Additionally, we also learned you are intentionally using the PAFAV Trademark and PAFAV Service Mark without authorization when promoting a convention (“Convention”) scheduled for Saturday, October 31st, 2020 at Portofino Restaurant in Bronx, New York. *See Exhibit A.* Your promotion of the event is unlawfully placed under the auspices of, name of, and in association with, PAFAV.

Even more egregious is that you have turned your violations of PAFAV’s intellectual property rights into an instrument for monetary gain by collecting fees, payments, and donations at your Convention and in your ordinary course of business. *See Exhibit A.* This scheme unlawfully misleads PAFAV’s current members and supporters to remit funds to you when those funds are intended for PAFAV. Nonetheless, you benefit from these monies from your unauthorized and unlawful use of the PAFAV Trademark and the PAFAV Service Mark. Your scheme deprives PAFAV of these economic benefits.

Be advised that you have not been authorized to carry out any of the acts described herein. On January 19, 2020, the Pan Albania Federation of America – DC Chapter (“PAFAV – DC Chapter”) was voted to be disbanded. Irrespective of whether you agree with that decision, your actions remain unlawful. Furthermore, on numerous occasion you were explicitly requested to cease and desist your activities.

Despite these numerous warning, and multiple attempts by PAFAV to amicably resolve this matter with you, on September 17, 2020 you intentionally and in bad faith filed with the United States Patent and Trademark Office for the PAFAV Service Mark. *See Exhibit C.* This is not a mere coincidence but rather a deliberate act by you to hijack PAFAV’s intellectual property. Your filing, *inter alia*, is, unlawful, immoral and free rides on PAFAV.

The circumstances surrounding your acts and omissions, including, and not limited to, your tenured relationship with and knowledge of PAFAV’s long history and reputation in the Albanian community, and your disagreements with the PAFAV and its management, unequivocally support a finding that your infringement is blatant, intentional, and willful.

Given PAFAV’s recognition and good will, your use of the PAFAV Trademark and the PAFAV Service Mark will cause its current and future members, members of the Albanian ethnic community, and United States and Albanian political and business leaders to be confused and mistakenly believe that PAFAV is the source of, affiliated with, sponsors or endorses your services.

Your actions constitute, *inter alia*, willful trademark infringement, unfair competition, cyber piracy and dilution in violation of Sections 43(a), 43(c) and 43(d) of the Lanham Act, and subject you to monetary damages including treble damages based on the willful nature of the infringement. Additionally, PAFAV believes that your conduct is tortious and highly suggestive of your intentional interference with PAFAV’s contractual relationships with its current members, and, moreover, a fraudulent scheme designed to artificially deprive PAFAV of its current and future membership, newspaper sales, donations, and economic gains.

We have strong reason to believe your above-stated actions also violate Massachusetts General Laws, Chapter 93A (“The Massachusetts Consumer Protection Statute”), which also may subject you to double or treble damages, and award of attorney’s fees and costs. Your failure to cease and desist use of the PAFAV Trademark and the PAFAV Service Mark, and your bad faith filing with the United States Patent and Trademark Office, constitute knowing and willful violation of Chapter 93A.
